

**1. Who notices changes first:**

Falconers  
Bird watchers  
Bird groups

**2. Population analysis:**

How have individual numbers of the population fluctuated?

**3. Analyse threats:**

What is affecting the population changes?

**4. Set a main goal:**

What are we trying to achieve?

**5. Step by step actions:**

How are we going to achieve our main goal?

**6. Prioritise actions and set a completion timetable:**

Outline everything that needs to happen in order to reach the end goal.

**7. Get funding and support for the project:**

NGOs  
Charity events  
The public

**8. Pay for specialists to help:**

Conservationists  
Researchers  
Falconers

# Conservation Action Plan for a wild bird of prey
